bentley_boy88 Big congrats to the Race Direction, 5h50min of green flag, everything managed with yellows or double yellows, truly good job. And very good driving standards from every driver, THIS IS RACING 👍

traalaarhla This series deserves way more support 🙌 bring on Paul Ricard!

dennislindracing For the best GT championship in the world, you deserve millions 🥰 keep it going 📈 📈

omy_por7 I've been going to see Gt World in Monza for years and guys if you've never been I absolutely recommend it... Gt World never disappoints! Unfortunately this time I have to settle for seeing it on YouTube 😞

justin_oertel Its really cool how cheap the tickets are considering how spectacular the events are. A fraction of an f1 ticket with 10x more action and fun involved 🙌 😎

michele_bonalumi you don't have to thank us, we have to do it instead.
Thank you for all the effort, all the GT and Endurance series are growing up again just like the old days ❤️

A nighttime photograph of a pit lane building at the Paul Ricard racetrack. The building has large, illuminated red signage that reads 'PAUL RICARD'. The building is lit up from within, and there are people visible on the upper level. The scene is set against a dark night sky with some distant lights.
